From Pastor Tom

A friend emailed me this week that pressure situations (such as we've all been under) reveal our default settings. What has your default setting been these past few weeks? Frustration? Irritability? Doubt? Self-pity? As we enter the final chapters of Galatians, we find that it's possible to have a default setting that includes love, joy, peace, patience, kindness, and more! Let's find out today, from Galatians 5 and 6, how the Lord sets us free and changes our default settings! I'm glad you've joined us for worship today!
