*Good morning and welcome to Crossroads! It's good to worship together, whether you're joining us in person at the Y or watching via Facebook! Our sermon today will again be in the New Testament book of Ephesians where Paul describes the Church as a mystery – Gentiles and Jews partaking together of God's grace. In the church, walls are broken down and lives joined together through the sharing of the Holy Spirit of Jesus. The Church has been around for a long time (for example, Paul founded the church at Ephesus around 51 AD), but it is still growing. "The whole building is being fitted together and growing into a holy temple, a dwelling of God" (Ephesians 2:21-22). This is exciting! It means our coming together is not just one more meeting on our weekly schedule; it's a moment for connecting with members (past and present!) of a vibrant, living project! Jesus Christ is the head of that Church! How will God grow Crossroads Church today? ... this week? How will He grow you as a part of His Church?*
