The Bible: God's Plan for Life
2 Timothy 3:10-17
April 11, 2021

Do you have a plan for your life? As it turns out, life doesn't generally get easier as we go along. In most cases, it gets a little harder. What's your plan? The Bible is God's plan, or guide, for life! What should be our relationship to the Bible?

From Pastor Tom

Good morning! We're glad you're here!

Jesus said, "I have come that you might have life and have it in abundance" (John 10:10). What an amazing promise that is! As we tap into worship, into the Bible, into the fellowship with people around us in church, ... as we give and receive during this hour, we take a step toward experiencing the abundant spiritual life Jesus intends for His followers.

As we enter into worship, ask yourself, "What will the Lord say to me today?" Be listening, and make a note of, the answer to that question when it comes. Then ask yourself, "What will the Lord say through me today?" What word of comfort, encouragement, or instruction -- what act of service or kindness might you show to someone else this morning?

The Lord is here to meet us! He delights in your company! Let's prayerfully anticipate an encounter with Him this morning!

Worship through Offerings & Tithes

As a part of our worship today, an offering box is available on the back table. The ministry at Crossroads depends on the regular giving of the church family. Giving offers us a way to express our faith that God will care for us just as He cares for the lily and the sparrow.
