April 25, 2021

There is so much to consider in the Genesis account of creation! Yet, more than telling us about the world or ourselves, this chapter tells us about God. If you've ever wondered ... "Who *is* God?" ... or ... "What role does God really play in my life?" this chapter gives you simple and powerful answers.

Purpose of the biblical creation account:

- not this : _____
- but this : _____

Five actions of God at Creation:

- God _____ .

God's active, intimate role in our lives:

From Pastor Tom

Good morning! I'm glad you're here!

We're not alone when we worship on a Sunday morning! Rather, we step into a great, ongoing, universal worship service. Millions of people of all nationalities have already worshiped today; many others are worshiping with us now; still others will worship later today. In addition, angels worship, as do believers in Christ who have been promoted to heaven:

"I looked, and I heard the voice of many angels around the throne ... and thousands of thousands saying with a loud voice: Worthy is the Lamb that was slain to receive power and riches and wisdom and might and honor and glory and blessing!" (Revelation 5:11-12)

Beyond that, we could say the beautiful springtime creation (fall, in other parts of the world) gives praise and glory to God: "Let the sea resound, and everything in it, the world, and all who live in it. Let the rivers clap their hands, let the mountains sing together for joy" (Psalm 98:7-8).

"God is spirit, and those who worship Him must worship in spirit and truth," Jesus said (John 4:24).

Let's join wholeheartedly in worship!

Worship through Offerings & Tithes

As a part of our worship today, an offering box is available on the back table. The ministry at Crossroads depends on the regular giving of the church family. Giving offers us a way to express our faith that God will care for us just as He cares for the lily and the sparrow.
